### CLASS 1

We are looking forward to getting stuck back in to lots of exciting learning after a restful break. You can find more information about this on the following page.

All children will continue to bring home a reading book or a phonics book. Reading should be recorded in their reading record books at least four times a week. An extra piece of homework will also be coming home this term. Year 1 will be getting letter or number formation practice. Year 2 will get weekly spelling on Spelling Shed. Login info will be sent out. As always, the classroom door is always open if you have any questions or concerns.
