We have another busy half term planned in Class 1! You can find more information about what we will be learning on the following page.

All children will continue to bring home a reading book or a phonics book. Reading should be recorded in their reading record books at least four times a week. Year 1 will continue to get letter or number formation practice. Year 2 will continue to get weekly spelling on Spelling Shed. As always, the classroom door is always open if you have any questions or concerns.

Please can all children have a water bottle in school every day.
