WELCOME TO CLASS 2

This half term begins with a trip to Aglionby Wetlands on Wednesday 21st February. This is to support our learning on habitats and classification on animals in Science. As we begin the second half of this school year, it is important that all children practise their **times tables** (3,4 8 and for Y3 children) but particularly the Y4s. Without a speedy recall of the different multiplication tables, many children struggle in the Maths lessons so please do encourage them to practise these at home regularly.
